CURVE AND PIXEL

Hello, thanks for taking this free sample for a spin. I hope you like it.

This free pack comes with my standard license so you are free to use it in unlimited personal projects or a single commercial project for yourself or a client.

If you love these watercolor wreaths, why not get the whole set of 12 wreath elements at Creative Market

See product at Creative Market

The set includes a combination of watercolor floral and foliage elements.

Each element is on an isolated transparent png – ideal for framing that heartfelt quote or providing embellishment when you need a hint of color or a touch of interest.

File Types: PNG
